Member

**JENNIFER MIYAKAWA**  
Member

One of the requirements to become a Level II/III Volunteer is to provide proof of a tuberculosis clearance. This clearance shall consist of an approved intradermal tuberculin test, which if positive, shall be followed by an x-ray of the lungs. Intradermal tests and x-rays are valid for 4 years, unless notified by Human Resources. All tests are done at the volunteer's expense. You may choose to see your own physician or visit the following facility:

**Stanislaus County Health Department**  
**820 Scenic Drive**  
**Modesto, CA.**

**Phone # 209-558-7700**
